My agreement to the enrolment process
NB Parent or caregiver to sign if you are under 16 years

I choose to enrol with this practice as my regular and on going provider of general practice / GP / First Level primary health care services.

I understand that by enrolling with this practice I will be enrolled with the Primary Health Organisation (PHO) this practice belongs to, and my name address and other identification details will be included on both the Practice and the PHO Enrolment Register.

I understand that if I visit another provider where I am not enrolled I may be charged a higher fee.

I understand that an administration fee will be charged to me if my account is unpaid by the last working day of each month.

I understand that if my account is outstanding after a further 30 days that the account may be passed to a collection agency and all fees associated with collection will be payable by me.

I have been given information about the benefits and implications of enrolment with the PHO, and their contact details.

I have read and I agree with the Health Information Privacy Statement .

I agree to inform the practice of any changes in my eligibility.

OR Signed by AUTHORITY²

Full Name of Authority	Contact Phone Number	Relationship
Address	Signature of Authority	/ /
Detail the basis of authority (e.g. parent of a child under 16):		

¹The definition of residing in New Zealand is that you intend to be resident in New Zealand for at least 183 days in the next 12 months.

² An authority is the legal right to sign for another person if for some reason they are unable to consent on their own behalf.

Health Information Privacy Statement

I understand the following:

Access to my health information

I have the right to access (and have corrected) my health information under Rules 6 and 7 of the Health Information Privacy Code 1994.

Visiting another GP

If I visit another GP who is not my regular doctor, I will be asked for permission to share information from the visit with my regular doctor or practice.

If I have a High User Health Card or Community Services Card and I visit another GP who is not my regular doctor, he/she can make a claim for a subsidy, and the practice I am enrolled in will be informed of the date of that visit. The name of the practice I visited and the reason(s) for the visit will not be disclosed unless I give my consent.

Patient Enrolment Information

The information I have provided on the Practice Enrolment Form will be:

- held by the practice
- used by the Ministry of Health to give me a National Health Index (NHI) number, or update any changes
- sent to the PHO and Ministry of Health to obtain subsidised funding on my behalf
- used to determine eligibility to receive publicly-funded services. Information may be compared with other government agencies but only when permitted under the Privacy Act.

Health Information

Members of my health team may:

- add to my health record during any services provided to me and use that information to provide appropriate care
- share relevant health information to other health professionals who are directly involved in my care e.g. HealthOne

Audit

In the case of financial audits, my health information may be reviewed by an auditor for checking a financial claim made by the practice, but only according to the terms and conditions of section 22G of the Health Act (or any subsequent applicable Act). I may be contacted by the auditor to check that services have been received. If the audit involves checking on health matters, an appropriately qualified health care practitioner will view the health records.

Health Programmes

Health data relevant to a programme in which I am enrolled (e.g. Breast Screening, Immunisation, Diabetes) may be sent to the PHO or the external health agency managing this programme.

Other Uses of Health Information

Health information *which will not include my name but may include my National Health Index Identifier (NHI)* may be used by health agencies such as the District Health Board, Ministry of Health or PHO for the following purposes, as long as it is not used or published in a way that can identify me:

- health service planning and reporting
- monitoring service quality, and
- payment.

Research

My health information may be used for health research, but only if this has been approved by an Ethics Committee and will not be used or published in a way that can identify me.

Except as listed above, I understand that details about my health status or the services I have received will remain confidential within the medical practice unless I give specific consent for this information to be communicated.
