.....

Complete registration process on the Portal.

You will need to change your password asap to a minimum of : 8 characters, including one capital and one number and one special eg: *#\$.

You are required to acknowledge the Terms and Conditions and the Privacy Policy before using the Portal.

PORTAL LINK:

<https://portal.waihopaihealth.co.nz/>

Remember to save link to your “favourites” bar.

Your Patient Portals allows you to:

Book appointments

The appointment booking system allows you to see exactly which time-slots are available with your GP

Request repeat prescriptions

You can order a repeat prescription online, ready for you to pick up from your pharmacy at a time that is convenient for you

See your lab results

Lab results are reviewed by your GP and then are available for you to see via the Patient Portal app

Other features that may be offered in the future:

- Access to notes from your last appointment with a GP, direct messaging your clinical team
- Access to a list of your medical conditions
- Access to your immunisation and vaccination history
- Appointment reminders and prompts from the practice team

Some of the benefits of using a Patient Portal include:

Convenient and easy to use

Allows you to access your personal medical information wherever and whenever you like

Helps you keep track of your medication and lab results online

Improved communication with your GP

Makes booking an appointment fast and simple

What is a Patient Portal?

A Patient Portal is secure online access that provides you with a number of convenient features such as:

- ◇ Appointment booking
- ◇ Ordering repeat prescriptions
- ◇ Online access to your lab results

You can access the portal on devices such as laptops, personal computers, tablets or smartphones. If you have access to the internet you can access the portal anywhere in NZ, anytime, through the web browser, but be sure you are on a secure connection.

THE PROCESS

Talk to your GP about getting access to a patient portal.

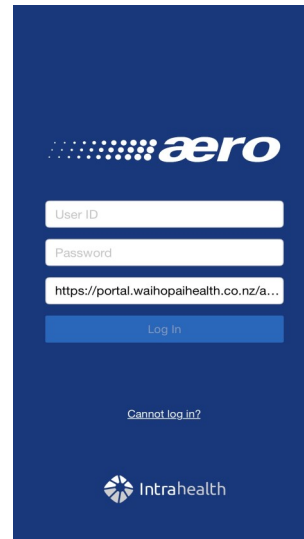

Set up and secure online access.

Access your medical records, book appointments, order repeat prescriptions and more.

For help or more information please contact
Waihopai Health Services
